

MORGUARD NORTH AMERICAN RESIDENTIAL
REAL ESTATE INVESTMENT TRUST

MANAGEMENT INFORMATION CIRCULAR

March 14, 2019

VOTING INFORMATION

SOLICITATION OF PROXIES

This Management Information Circular (“Circular”) is furnished in connection with the solicitation of proxies by or on behalf of the management of Morguard North American Residential Real Estate Investment Trust (the “REIT”) for use at the annual meeting (“Meeting”) of unitholders (the “Unitholders”) of the REIT to be held on May 8, 2019 at 9:00 a.m. (local time) at Rattlesnake Point Golf Club, 5407 Regional Road 25, Milton, Ontario L9T 2X5, and at all adjournments thereof. The solicitation will be made primarily by mail but proxies may also be solicited by telephone by employees of the REIT, the board of trustees of the REIT (the “Board of Trustees” or “Board”, and each member of the Board a “Trustee”) or by the REIT’s transfer agent, Computershare Trust Company of Canada, at a nominal cost. The costs of solicitation will be borne by the REIT.

The information contained in this Circular is given as at March 14, 2019, unless otherwise indicated.

Appointment of Proxies

The persons named in the enclosed form of proxy are Trustees. **Each Unitholder has the right to appoint a person other than the persons named in the enclosed form of proxy, who need not be a Unitholder, to represent the Unitholder at the Meeting.** This right may be exercised by inserting the name of the person to be appointed by the Unitholder in the space provided in the form of proxy or by completing another proper form of proxy.

Proxies must be deposited with the REIT, c/o Computershare Trust Company of Canada, 100 University Avenue, 8th Floor, Toronto, Ontario, M5J 2Y1, Attention: Proxy Department, so as to arrive not later than 5:00 p.m. (local time) on May 7, 2019, or, if the Meeting is adjourned, no later than 5:00 p.m. (local time) on the last business day before the date of the adjourned meeting. Proxies may also be delivered to the Chair of the Meeting before the commencement of the Meeting or any adjournment thereof.

Voting of Units Represented by Proxy

On any ballot that may be called for, the persons designated in the enclosed form of proxy will vote for or against or withhold from voting the units in the REIT (the “Units”) in respect of which they are appointed by proxy in accordance with instructions of the Unitholder indicated on the proxy. **In the absence of instructions with respect to a particular resolution, the Units will be voted in favour of the resolution as indicated under the appropriate heading in this Circular.**

The enclosed form of proxy confers discretionary authority with respect to amendments or variations to the matters identified in the notice of meeting and other matters which may properly come before the Meeting. Management is not aware of any amendments, variations or other matters to come before the Meeting.

ATTENDANCE AND VOTING

Only registered holders of Units, or the persons they appoint as their proxies, are permitted to attend, speak at and vote on all matters that may properly come before the Meeting. Each Unit entitles the holder to one vote for each Unit held.

Non-Registered Holders

In many cases, Units beneficially owned by a Unitholder (a “Non-Registered Holder”) are registered either:

- (a) In the name of an intermediary (an “Intermediary”) that the Non-Registered Holder deals with in respect of the Units, such as, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self administered RRSPs, RRIFs, RESPs and similar plans; or,
- (b) In the name of a clearing agency (such as The Canadian Depository for Securities Limited) of which the Intermediary is a participant.

In accordance with the requirements of National Instrument 54-101, the REIT has distributed copies of the notice of meeting, Circular, the form of proxy for Unitholders and the REIT’s audited consolidated financial statements for the year ended December 31, 2018 and management’s discussion and analysis (“MD&A”) (collectively, the “Meeting Materials”) to the clearing agencies and Intermediaries for onward distribution to Non-Registered Holders.

Intermediaries are required to forward Meeting Materials to Non-Registered Holders unless a Non-Registered Holder has waived the right to receive them. Typically, Intermediaries will use a service company (such as ADP Independent Investor Communications Corporation) to forward the Meeting Materials to Non-Registered Holders. Generally, Non-Registered Holders of Units who have not waived the right to receive Meeting Materials will either:

- (a) Be given a proxy which has already been signed by the Intermediary (typically by a facsimile, stamped signature) which is restricted as to the number of Units beneficially owned by the Non-Registered Holder, but which is otherwise uncompleted. This form of proxy need *not* be signed by the Non-Registered Holder. In this case, the Non-Registered Holder who wishes to submit a proxy should otherwise properly complete the form of proxy and deposit it with Computershare Trust Company of Canada, as described above; or
- (b) More typically, be given a voting instruction form which must be completed and signed by the Non-Registered Holder of Units in accordance with the directions on the voting instruction form (which may, in some cases, permit the completion of the voting instruction form by telephone or internet).

The purpose of these procedures is to permit Non-Registered Holders to direct the voting of the Units they beneficially own. Should a Non-Registered Holder of Units who receives either a proxy or a voting instruction form wish to attend and vote at the Meeting in person (or have another person attend and vote on behalf of the Non-Registered Holder), the Non-Registered Holder should strike out the names of the persons named in the proxy and insert the Non-Registered Holder’s (or such other person’s) name in the blank space provided or, in the case of a voting instruction form, follow the corresponding instructions on the form. ***In either case, Non-Registered Holders of Units should carefully follow the instructions of their Intermediaries and their service companies.***

Revocation of Proxies

A Unitholder who has given a proxy may revoke the proxy by an instrument in writing, including another proxy bearing a later date, duly executed by the Unitholder or by his or her attorney authorized in writing, deposited with the REIT as provided above. A Unitholder may also revoke a proxy in any other manner permitted by law.

A Non-Registered Holder of Units may revoke a voting instruction form or a waiver of the right to receive Meeting Materials and to vote given which has been given to an Intermediary at any time by written notice to the Intermediary, except that an Intermediary is not required to act on a revocation of voting instructions form or a waiver of the right to receive Meeting Materials and to vote that is not received by the Intermediary at least seven days prior to the Meeting.

VOTING UNITS AND PRINCIPAL HOLDERS THEREOF

The Units and the special voting units (the “Special Voting Units”, and together with the Units, the “Voting Units”) of the Trust represented by proxies will be voted or withheld from voting in accordance with the instructions of the Unitholder on any ballot that may be called for and, if the Unitholder specifies a choice with respect to any matter to be acted upon at the Meeting, Voting Units represented by properly executed proxies will be voted accordingly.

On March 14, 2019, the REIT had outstanding a total of 33,728,732 Units, each carrying the right to one vote per Unit, and 17,223,090 Special Voting Units, each carrying the right to one vote per Special Voting Unit. All Unitholders of record at the close of business on March 15, 2019, the record date established for the Meeting, will be entitled to vote at the Meeting, or any adjournment thereof, either in person or by proxy.

To the best of the knowledge of the Trustees and officers of the REIT, no person beneficially owns, directly or indirectly, or exercises control or direction over, Voting Units carrying more than 10% of the votes attached to all Voting Units, other than the following:

Unitholder	Approximate Number of Voting Units Beneficially Owned or Over Which Control or Direction is Exercised	Approximate % of Outstanding Voting Units
Morguard Corporation	6,675,166 Units 17,223,090 Special Voting Units	46.90% effective interest

MATTERS TO BE ACTED UPON AT THE MEETING

Audited Consolidated Financial Statements

The audited consolidated financial statements of the REIT for the year ended December 31, 2018 are mailed to Unitholders who requested that they receive such report with this Circular and are also available at www.morguard.com and www.sedar.com.

Election of Trustees

Trustees are to be elected annually by resolution of a majority of votes cast at a meeting of Unitholders. The number of Trustees to be elected at the Meeting is seven. All of the nominees are currently Trustees of the REIT and have been Trustees since the dates indicated in the tables included below.

The Board of Trustees has adopted a policy that entitles each Unitholder to vote for each nominee on an individual basis.

The Board has also adopted a policy stipulating that if the votes in favour of the election of a nominee at a Unitholders' meeting represent less than a majority of the Units voted and withheld, the nominee will be expected to submit to the Board his or her resignation, to take effect upon acceptance by the Board. The Board will then have 90 days to accept the resignation, during which time an alternate Board member may be appointed. The Board, however, may reject the resignation under extenuating circumstances.

The persons named in the enclosed form of proxy intend to vote for the election of the proposed nominees whose names are set out below, unless the Unitholder who has given such proxy has directed that the Units represented thereby be withheld from voting in the election of Trustees. Management does not contemplate that any of the proposed nominees will be unable to serve as Trustee, but if that should occur for any reason prior to the Meeting, the persons named in the enclosed form of proxy reserve the right to vote for another nominee in their discretion. Each Trustee elected at the Meeting will hold office until the next annual meeting or until his or her successor is duly elected or appointed in accordance with the REIT's declaration of trust, as amended from time to time (the "Declaration of Trust").

Appointment of Auditors

The persons named in the enclosed form of proxy intend to vote in favour of the resolution appointing Ernst & Young LLP as auditors of the REIT, to hold office until the next annual meeting of Unitholders or until their successors are appointed, and authorizing the Trustees to fix the remuneration of the auditors, unless the Unitholder who has given the proxy has directed that the Units represented thereby be withheld from voting in respect of the appointment of auditors.

Ernst & Young LLP, Chartered Professional Accountants, is the principal external auditor of the REIT and has served in that capacity since the REIT's initial public offering that was completed on April 18, 2012. From time to time, Ernst & Young LLP also provides consulting and non-audit services to the REIT. It is the policy of the Audit Committee to pre-approve audit and audit-related services as well as non-audit services and to consider whether the provision of services other than audit services is compatible with maintaining the auditors' independence.

The following table sets forth the fees billed by Ernst & Young LLP to the REIT for the fiscal years ended December 31, 2018 and 2017.

Service Performed	2018	2017
Audit fees ⁽¹⁾	\$489,000	\$416,661
Audit-related fees ⁽²⁾	31,000	30,000
Tax & other services ⁽³⁾	-	-
Total fees	\$520,000	\$446,661

Notes:

- (1) Audit fees mean billings for professional services rendered by the REIT's external auditor for the audit and review of the REIT's consolidated financial statements or services that are normally provided by the external auditor in connection with statutory and regulatory filings or engagements. Fees are captured as they relate to the most recent auditor's opinion (not the REIT's fiscal year).
- (2) Audit-related fees mean billings for assurance and related services that are reasonably related to performance of the audit or review of the REIT's consolidated financial statements, but not reported as audit fees. More specifically, these services would include, among others, employee benefit plan audits, due diligence related to mergers and acquisitions, accounting consultations and audits in connection with acquisitions, non-attest internal control reviews, attest services that are not required by statute or regulation and consultations concerning financial accounting and reporting standards. Fees are typically captured on an annual basis coinciding with the REIT's fiscal year.
- (3) Tax fees mean billings for professional services for tax compliance, tax advice, and tax planning. Other services mean fees not meeting the other fee classifications. Fees are typically captured on an annual basis coinciding with the REIT's fiscal year.

Nominees for Election to the Board of Trustees

The following table sets out certain information with respect to the persons proposed for nomination for election as Trustees, including whether an individual is an independent trustee (“Independent Trustee”) and the number of Units beneficially owned, or over which control or direction is exercised as at the date of this Circular. Unless otherwise indicated, the persons named below have been in their principal occupations for more than five years.

Each Trustee elected at the Meeting will hold office until the next annual meeting, or until his or her successor is duly elected or appointed in accordance with the Declaration of Trust.

EXECUTIVE COMPENSATION

The executive officers of the REIT are employed by Morguard Corporation (“Morguard”) and the REIT does not directly or indirectly pay any compensation to them. Any variability in compensation paid by Morguard to the executive officers of the REIT has no impact on the REIT’s financial obligations, including its obligations under the Limited Partnership Agreement, the U.S. Management Agreements or the Services Agreement. See “Arrangements with Morguard” in the REIT’s Annual Information Form dated February 12, 2019, which may be accessed electronically under the REIT’s profile on SEDAR at www.sedar.com or on the REIT’s website at www.morguard.com.

The total compensation received by the executive officers of the REIT is determined by Morguard in accordance with its executive compensation philosophy. For a detailed discussion of the objectives and elements of Morguard’s compensation program, see the most recent Management Information Circular of Morguard (the “Morguard Circular”), which may be accessed electronically under Morguard’s profile on SEDAR at www.sedar.com. As Messrs. Sahi, Newman and Wright qualify as a “Named Executive Officer” (“NEO”), under applicable Canadian securities law, compensation information for these executive officers is provided in this section. Ms. Flynn, Mr. Miatello, Mr. Talano, Ms. Sahi, Mr. Athey and Mr. Rateja did not qualify as NEOs of the REIT in 2018; however, their compensation is expected to be consistent with the objectives and elements of Morguard’s compensation program as discussed in the Morguard Circular. All references to stock appreciation rights, common shares and pensions in this section are in respect of Morguard.

For greater certainty, information contained on Morguard's profile on SEDAR at www.sedar.com, including the Morguard Circular, is not incorporated by reference into this Circular.

During the most recently completed financial year, the NEOs and Trustees were not permitted to purchase financial instruments designed to hedge or offset a decrease in market value of the Units, or securities convertible into Units, granted as compensation or held, directly or indirectly, by the particular NEO or Trustee.

It is the mandate of the Board to monitor and evaluate the Chief Executive Officer and senior executives and to ensure management succession planning. Annually, the Board reviews the management and meets with Morguard to review diversity, talent management and succession planning. While the REIT has not adopted a target regarding the representation of women in executive officer positions, the REIT encourages Morguard to ensure diversity is embedded in talent management practices focused on the development and advancement of women and visible minorities, and other aspects of diversity, and the board has adopted a written policy regarding diversity of executive officers. In terms of gender diversity, currently 22 percent of executive officers at the REIT are women (2 of 9).

Summary Compensation Table

The following discussion is intended to supplement the information concerning executive compensation that appears in the table that follows. The executive officers of the REIT are employed by Morguard and the REIT does not determine the amounts payable to the executive officers or, directly or indirectly, pay any compensation to them. The disclosure below is provided to comply with applicable Canadian securities laws.

The REIT's only NEOs during the year ended December 31, 2018 are K. Rai Sahi (Chief Executive Officer), Robert Wright (Chief Financial Officer until November 18, 2018), and Christopher A. Newman (Chief Financial Officer beginning November 19, 2018). The following table sets out information concerning the fiscal 2018 compensation that was earned by, paid to, or awarded to the NEOs of the REIT, based on the amount of time that was attributable to the services that the NEOs provided to the REIT.

Notes:

- (1) None of the NEOs are entitled to perquisites or other personal benefits which, in the aggregate, are expected to be worth over \$50,000 or over 10% of their base salary.
- (2) All compensation for Messrs. Sahi, Newman and Wright was paid by Morguard, and there is no reimbursement by the REIT for such compensation. Messrs. Sahi, Newman and Wright acted in a variety of capacities for Morguard, the REIT and their respective affiliates, and accordingly, the total compensation that Messrs. Sahi, Newman and Wright received from Morguard is not disclosed in this table, since total compensation is not solely attributable to the services that such individuals provided to the REIT. The allocation of the total compensation disclosed in this table was determined by Morguard solely for the purposes of this table, based on the time that was spent by Messrs. Sahi (approximately 20%), Newman (approximately 40%) (beginning November 19, 2018 to December 31, 2018) and Wright (approximately 40%) regarding REIT-related services. The portion of total compensation attributable to the REIT in respect of other executive officers, namely Ms. Flynn, Mr. Miatello, Mr. Athey, Mr. Rateja, Ms. Sahi and Mr. Talano does not meet the definition of Named Executive Officer under applicable Canadian securities law.
- (3) The Named Executive Officers did not have a target incentive award for 2018 and any incentive awards were awarded by, and at the sole discretion, of Morguard.

K. Rai Sahi	-	1,605,560
Christopher A. Newman	-	72,000

Note:

- (1) SARs granted to Mr. Newman are compensation for Morguard Corporation-related services and are included here for complete disclosure purposes only. All compensation related to SARs grants will be paid by Morguard Corporation and there is no reimbursement by the Trust for such compensation.
- (2) Amounts reflect total 2018 non-equity incentive plan compensation. All compensation for Messrs. Sahi and Newman was paid by Morguard, and there is no reimbursement by the REIT for such compensation.

Stock Appreciation Rights

Pursuant to Morguard's executive compensation plan, a stock appreciation right grants a participant the right to receive, from Morguard, a cash payment per right in an amount equal to the excess, if any, of: (i) the fair market value, as of the date redeemed, of the common shares of Morguard less (ii) the fair market value of the common shares of Morguard underlying the rights on the date of the grant and any amount required to be withheld by applicable law. Fair market value is defined as the closing price of the common shares of Morguard on the Toronto Stock Exchange ("TSX") for the trading day immediately preceding the applicable date.

Morguard's Human Resources, Compensation and Pension Committee (the "Morguard HR Committee") may determine when any stock appreciation right will become vested. However, in the absence of any other determination, vesting occurs: (i) as to one-tenth, on the first anniversary of the date of grant; and (ii) as to an additional one-tenth, on each of the second through tenth anniversaries of the date of grant. The Morguard HR Committee granted 10,000 stock appreciation rights to Mr. Newman in 2018 in connection with his services to the REIT and Morguard. No stock appreciation rights were granted in 2017 in connection with services to the REIT.

The costs of SARs awarded to employees of Morguard (and its wholly-owned subsidiaries) who also serve as NEOs of the Trust will be borne by Morguard and the Board of Trustees are not required to approve such awards.

Pursuant to Morguard's executive compensation plan, Mr. Newman is accruing benefits under the Morguard Corporation Employees' Retirement Plan ("MC Plan") defined contribution provisions. REMUNERATION OF TRUSTEES

A person who is employed by and receives a salary from the REIT or Morguard does not receive any remuneration from the REIT for serving as a Trustee. Trustees who are not employed by the REIT or Morguard receive remuneration from the REIT in the amount of \$30,000 per year as an annual retainer (increased from \$22,000 per year effective April 1, 2018). Also, each Trustee or committee member, other than a person employed by the REIT or Morguard, receives \$1,000 per meeting attended with an additional \$10,000 for the audit committee chair, and \$2,500 for each other committee chair. The Trustees are entitled to be reimbursed for their reasonable out-of-pocket expenses incurred in connection with the REIT.

The Compensation and Governance Committee (the “C&G Committee”) reviews Trustee compensation annually and makes recommendations on remuneration to the Board of Trustees. In reviewing Trustee compensation, the C&G Committee considers the responsibilities and time commitment of the Trustees and benchmarks compensation at comparable real estate investment trusts in the Canadian real estate industry.

The REIT paid \$242,500 in 2018 in respect of Trustee fees during the year ended December 31, 2018 (compared to \$209,500 for 2017). The following table shows the amounts earned by individual non-management trustees during the year ended December 31, 2018.

TRUSTEES’ AND OFFICERS’ LIABILITY INSURANCE

The REIT carries trustees’ and officers’ liability insurance. Under this insurance coverage, the REIT is reimbursed for insured claims where payments have been made under indemnity provisions on behalf of its Trustees and officers contained in the Declaration of Trust, subject to a deductible for each loss, which is paid by the REIT. Individual Trustees and officers of the REIT will also be reimbursed for insured claims arising during the performance of their duties for which they are not indemnified by the REIT. Excluded from insurance coverage are illegal acts, acts which result in personal profit and certain other acts. The Declaration of Trust provides for the indemnification in certain circumstances of Trustees and officers of the REIT from and against liability and costs in respect of any action or suit against them in respect of the execution of their duties of office. The REIT insurance policy covers claims made against the insured during the policy period with a limit of \$30,000,000 during the policy year and a limit of \$30,000,000 in respect of each claim. INDEBTEDNESS OF TRUSTEES AND EXECUTIVE OFFICERS

STATEMENT OF CORPORATE GOVERNANCE PRACTICES

Governance and Board of Trustees

The Declaration of Trust provides that, subject to certain conditions, the Trustees have full, absolute and exclusive power, control and authority over the REIT's assets, affairs and operations, to the same extent as if the Trustees were the sole and absolute legal and beneficial owners of the REIT's assets. The governance practices, investment guidelines and operating policies of the REIT are overseen by a Board consisting of a minimum of three and a maximum of ten Trustees, a majority of whom are Independent Trustees and a majority of whom (and a majority of Independent Trustees) are Canadian residents. The REIT has seven Trustees.

The mandate of the Board, which is discharged directly or through one of the three committees of the Board, is one of stewardship and oversight of the REIT and its business, and includes responsibility for strategic planning, review of operations, disclosure and communication policies, oversight of financial and other internal controls, corporate governance, Trustee orientation and education, senior management review and oversight, and Trustee compensation and assessment. The Board's written mandate is attached to this Circular as Appendix A.

The standard of care and duties of the Trustees provided in the Declaration of Trust is similar to those imposed on directors of a corporation governed by the *Canada Business Corporations Act*. Accordingly, each Trustee is required to exercise the powers and discharge the duties of his or her office honestly, in good faith and in the best interests of the REIT and the Unitholders and, in connection therewith, to exercise the degree of care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances. The Declaration of Trust provides that each Trustee is entitled to indemnification from the REIT in respect of the exercise of the Trustee's powers and the discharge of the Trustee's duties, provided that the Trustee acted honestly and in good faith with a view to the best interests of the REIT and the Unitholders or, in the case of a criminal or administrative action or proceeding that is enforced by a monetary penalty, where the Trustee had reasonable grounds for believing that his or her conduct was lawful.

Trustees are elected at each annual meeting of Unitholders to hold office for a term expiring at the close of the next annual meeting, or until a successor is appointed, and are eligible for re-election. Nominees are nominated by Morguard in connection with its nomination rights described below, or the C&G Committee, in each case for election by Unitholders as Trustees in accordance with the provisions of the Declaration of Trust and are included in the Meeting Materials sent to Unitholders prior to each annual meeting of Unitholders.

The Unitholders or the Trustees are entitled to change the number of Trustees comprising the Board. A quorum of the Trustees, being the majority of the Trustees then holding office (provided a majority of the Trustees comprising such quorum are residents of Canada), are permitted to fill a vacancy in the Board,

except a vacancy resulting from a failure of the Unitholders to elect the required number of Trustees. In the absence of a quorum of Trustees, or if the vacancy has arisen from a failure of the Unitholders to elect the minimum required number of Trustees, the Trustees will promptly call a special meeting of the Unitholders to fill the vacancy. If the Trustees fail to call that meeting or if there is no Trustee then in office, any Unitholder will be entitled to call such meeting. Except as otherwise provided in the Declaration of Trust, the Trustees may, between annual meetings of Unitholders, appoint one or more additional Trustees to serve until the next annual meeting of Unitholders, provided that the number of additional Trustees so appointed will not at any time exceed one-third of the number of Trustees who held such office at the conclusion of the immediately preceding annual meeting of Unitholders. Any Trustee may resign upon no less than 30 days' written notice to the REIT, provided that if such resignation would cause the number of remaining Trustees to be less than a quorum, such resignation will not be effective until a successor is appointed. Any Trustee may be removed by an ordinary resolution passed by a majority of the votes cast at a meeting of Unitholders called for that purpose.

The Declaration of Trust grants Morguard the exclusive right to nominate a number of Trustees, proportionate to Morguard's ownership interest in the REIT (on a fully diluted basis), whether held directly or indirectly, rounded down to the nearest whole number, for election by Unitholders provided that, so long as Morguard owns at least a 10% ownership interest in the REIT (on a fully diluted basis), whether held directly or indirectly, Morguard shall have the right to nominate not less than one Trustee.

The following table sets forth certain information regarding each of the individuals who are the Trustees of the REIT.

As of March 14, 2019, Morguard Corporation holds approximately 46.90% of the Voting Units through beneficial ownership of 6,675,166 Units and 17,223,090 Class B LP Units. In addition, the Trustees and executive officers of the REIT (or persons acting in such capacity), as a group, beneficially own, directly or indirectly, or exercise control or direction over 1,486,067 Voting Units, representing approximately 2.91% of the Voting Units outstanding as of March 14, 2019. Additional biographical information regarding the seven Trustees of the REIT for the past five years is set out above under the section entitled "Nominees for Election to the Board of Trustees".

Position Descriptions

The Chair of the Board and Committee Chairs

K. Rai Sahi, the Chair of the Board, is not an Independent Trustee. Avtar T. Bains acts as Lead Trustee. The Board has adopted a written position description for the Chair of the Board which sets out the Chair's key responsibilities, including duties relating to setting agendas for Board meetings, chairing Board and Unitholder meetings, trustee development and communicating with Unitholders and regulators. The Board has also adopted a written position description for each of the committee Chairs that set out each of the committee Chair's key responsibilities, including duties relating to setting committee meeting agendas, chairing committee meetings and working with the respective committee and management to ensure, to the greatest extent possible, the effective functioning of the committee. These descriptions are reconsidered by the Board for approval annually.

Chief Executive Officer of the REIT

The primary functions of the Chief Executive Officer of the REIT are to lead the management of the REIT's business and affairs and to lead the implementation of the resolutions and policies of the Board. The Board has developed a written position description and mandate for the Chief Executive Officer which sets out the Chief Executive Officer's key responsibilities, including duties relating to strategic planning, operational direction, Board interaction, succession planning and communication with Unitholders and regulators. The Chief Executive Officer mandate is reviewed by the Board for approval annually.

Committees of the Board

Pursuant to the Declaration of Trust, the Board has established three standing committees: Audit Committee, C&G Committee and Investment Committee. All members of the Audit Committee and the C&G Committee are Independent Trustees and, as of December 31, 2018 a majority of the members of the Investment Committee are Independent Trustees.

Audit Committee

The Audit Committee consists of Mel Leiderman (Chair), Bruce K. Robertson, and Dino Chiesa, each of whom is "independent" and "financially literate" within the meaning of National Instrument 52-110 — *Audit Committees*. Each of the Audit Committee members has an understanding of the accounting principles used to prepare the REIT's financial statements, experience preparing, auditing, analyzing or evaluating comparable financial statements and experience as to the general application of relevant accounting principles, as well as an understanding of the internal controls and procedures necessary for financial reporting. For the education and experience of each member of the Audit Committee relevant to the performance of his or her duties as a member of the Audit Committee, see their biographies outlined above under the section entitled "Nominees for Election to the Board of Trustees".

The Board has adopted a written charter for the Audit Committee, which sets out the Audit Committee's responsibility in reviewing the financial statements of the REIT and public disclosure documents containing financial information and reporting on such review to the Board, ensuring that adequate procedures are in place for the review of the REIT's public disclosure documents that contain financial information, overseeing the work and reviewing the independence of the external auditors and reviewing, evaluating and approving the internal control procedures that are implemented and maintained by management. The Audit Committee is also responsible for recommending the adoption of an enterprise risk management program and an environmental management program for the REIT and for supervising the REIT's compliance with and implementation of the risk and environmental programs.

Compensation and Governance Committee

The C&G Committee consists of Frank Munsters (Chair), Avtar T. Bains and William O. Wallace. The C&G Committee is charged with reviewing, overseeing and evaluating the governance and nominating policies and the compensation policies of the REIT. In addition, the C&G Committee is responsible for: (i) assessing the effectiveness of the Board, each of its committees and individual Trustees; (ii) overseeing the recruitment and selection of candidates as Trustees of the REIT, other than Morguard's nominees; (iii) organizing an orientation and education program for new Trustees and coordinating continuing Trustee development programs; (iv) considering and approving proposals by the Trustees to engage outside advisers on behalf of the Board as a whole, or on behalf of the Independent Trustees; (v) reviewing and making recommendations to the Board concerning any change in the number of Trustees composing the Board; (vi) administering any Unit option or purchase plan of the REIT or any other compensation incentive programs; (vii) assessing the performance of the officers and other members of the executive management team of the REIT; (viii) reviewing and approving the compensation paid by the REIT, if any, to consultants of the REIT; and (ix) reviewing and making recommendations to the Board concerning the level and nature of the compensation payable, if any, to the Trustees and officers of the REIT.

To ensure the C&G Committee has the expertise to carry out its mandate, the members have acquired an understanding of relevant issues relating to governance and compensation.

Frank Munster's has gained experience in human resources and compensation matters by serving in executive leadership positions in several public companies, including Morguard and TWC Enterprises Limited, and has had responsibilities that included overview and board reporting on benefit, pension and compensation programs. Avtar T. Bains has similarly gained experience in risk and compensation matters by serving as a senior executive in a major organization, namely Colliers International. William O. Wallace, through 20 years of business ownership and his service with international advisory groups and councils, has experience and knowledge with internal risk management and reporting.

Investment Committee

Pursuant to the Investment Committee charter, each of the Investment Committee members must have at least five years of substantial experience in the real estate industry. The Investment Committee consists of K. Rai Sahi (Chair), Avtar T. Bains, Bruce K. Robertson and Dino Chiesa. The Investment Committee may authorize, without Board approval, proposed acquisitions, dispositions or borrowings where the acquisition, disposition or borrowing, including the assumption or granting of any mortgage but not the renewal, extension or modification of any existing mortgage which can be approved by the REIT GP (if so delegated by the Board), where the value of such transaction does not exceed \$25 million. The Investment Committee may also recommend to the Board whether to approve or reject proposed transactions, where the value of such transaction exceeds \$25 million.

Orientation and Continuing Education

The C&G Committee has put in place an orientation program for new Trustees under which a new Trustee will meet with the Chair of the Board, the Lead Trustee and members of the executive management team of the REIT. A new Trustee will be provided with comprehensive orientation and education as to the nature and operation of the REIT and its business, as to the role of the Board and its committees and the Lead Trustee, and as to the contribution that an individual Trustee is expected to make. The C&G Committee will be responsible for coordinating continuing Trustee development programs to enable the Trustees to maintain or enhance their skills and abilities as Trustees as well as ensuring their knowledge and understanding of the REIT and its business remains current.

Ethical Business Conduct

The Board has adopted a written code of business conduct and ethics applicable to the Trustees, officers and employees of the REIT and its subsidiaries, as well as to the directors, officers and employees of Morguard GP. The code sets out the Board's expectations for the conduct of such persons in their dealings on behalf of the REIT. The Board has established confidential reporting procedures in order to encourage individuals to raise concerns regarding matters addressed by the code on a confidential basis free from discrimination, retaliation or harassment. Those who violate the code may face disciplinary actions, including dismissal.

Nomination and Assessment of Trustees

The Board has established a C&G Committee that is responsible for, other than for Morguard's nominees, overseeing the recruitment and selection of candidates as Trustees of the REIT. The recruitment and selection of such candidates involves an identification of the qualifications for Trustees that are required to fulfill Board responsibilities and an evaluation of the qualifications that existing Trustees possess. The C&G Committee is then expected to recommend candidates to the Board for nomination as Trustees to be elected by the Unitholders.

There are currently no women on the Board (0%). In assessing candidates and selecting nominees for the board, diversity, including gender diversity, is an important factor considered by the C&G Committee. At this time the Board has not implemented targets, however a written policy relating to the identification and nomination of female directors was adopted during 2018. Additionally, having assessed the benefit of gender diversity in the composition of the Board, the Board has directed the C&G Committee to consider the level of representation of women on the Board and to view the level of female representation and diversity as essential considerations, in addition to required expertise and experience, in evaluating potential candidates for nomination.

The C&G Committee is also responsible for assessing the effectiveness of the Board, each of its committees and individual Trustees. Trustees are regularly surveyed to form the basis of such assessment and such assessment is reviewed by the Chair of the Board, with the exception of the assessment of the Chair of the Board and the non-Independent Trustees, which are reviewed by the Lead Trustee.

The REIT has not adopted term limits for Trustees. At this time, the REIT believes that term limits have the potential to cause the loss of key Board contributors with a proven track record and who possess valuable institutional memory. Instead, the REIT believes that less rigid mechanisms of Board renewal are more suitable. Annually, the C&G Committee undertakes an evaluation of Board performance, including performance of individual trustees, to ensure that each Trustee continues to be effective and have the necessary skills and experience required by the REIT for an appropriate composition of the Board. Additionally, Unitholders can evaluate and vote on all Trustee nominees annually at the Meeting.

All governance policies are reviewed and assessed by the Board of Trustees on an annual basis.

See "Compensation and Governance Committee" above for further discussion of the process for identifying and nominating new directors.
